¹Basic technical support provided for 90 days from date of purchase.

Actual performance may vary due to operating conditions.

This product comes with a limited warranty, the acceptance of which is a condition of sale.

¹Works with Clients supporting Wi-Fi Protected Setup™ (WPS).

[†]Maximum wireless signal rate derived from IEEE standard 802.11 specifications. Actual data throughput and wireless coverage will vary. Network conditions and environmental factors, including volume of network traffic, building materials and construction, and network overhead, lower actual data throughput rate and wireless coverage. NETGEAR makes no express or implied representations or warranties about this product's compatibility with any future standards. "N", "Wireless-N" and "802.11n" refer to compliance with IEEE 802.11n specification version 2.0 only.

For indoor use only
