

Upgrade old DSL equipment to Wireless-N

- NETGEAR Live Parental Controls keeps your Internet experience safe by blocking inappropriate Internet content
- Provides better wireless coverage than Wireless-G routers
- Extra performance boost when connected to Wireless-N devices
- Push 'N' Connect securely connects devices at the push of a button
- Built-in ADSL2+ modem for use with DSL broadband (through the telephone line)

Features

- Live Parental Controls, powered by OpenDNS™
 - Blocks unsafe Internet content and applications
 - Customize settings through Web browser, accessible remotely
 - Protects connected devices through the router such as PCs, gaming consoles, and iPod touch®
 - And it's FREE! See CD inside for installation
 - To learn more visit www.netgear.com/opendns
- Advanced wireless technologies and powerful internal antennas provide better speed and range than Wireless-G
- Push 'N' Connect using Wi-Fi Protected Setup™ (WPS)¹

STEP 1

Follow steps of the NETGEAR Smart Wizard wireless connection utility

STEP 2

Push the Push 'N' Connect button on your router

STEP 3

Connect securely

Green Networking

- Convenient power and Wi-Fi on/off switch to conserve energy
- Packaging manufactured with at least 80% recycled materials

The NETGEAR Difference

DGN1000

- ✓ Live Parental Controls
- ✓ Push 'N' Connect
- ✓ Wireless on/off button
- ✓ Compact and elegant design
- ✓ Easy multi-language installation

^{*}Basic technical support provided for 90 days from date of purchase.

Actual performance may vary due to operating conditions.

This product comes with a limited warranty, the acceptance of which is a condition of sale.

¹Works with Clients supporting Wi-Fi Protected Setup™ (WPS).

[†]Maximum wireless signal rate derived from IEEE standard 802.11 specifications. Actual data throughput will vary. Network conditions and environmental factors, including volume of network traffic, building materials and construction, and network overhead, lower actual data throughput rate. NETGEAR makes no express or implied representations or warranties about this product's compatibility with any future standards. "N", "Wireless-N" and "draft 802.11n" refer to compliance with IEEE 802.11n draft specification version 2.0 only.

For indoor use only
